

# 2022-23 UCF Intramural Sports Greek Points Program Rules

## I. Purpose

The purpose of the Fraternity and Sorority Sports Program is to determine an overall intramural sports champion for the year. The Organization's banner will also be displayed in the RWC MAC Gym.

## II. Intramural Sports Captains Guide

Students participating in games and events that are a part of the Greek Points Program must read, understand and adhere to the Intramural Sports Captains Guide.

## III. Eligible Organizations

A. Organizations eligible to participate in the points program are those officially recognized by the Office of Fraternity and Sorority Life during the current year. Organizations placed on sanctions or suspensions by the Office of Student Conduct that include intramural sports are not allowed to register to participate in intramural sports. If teams are already scheduled in leagues at the time they are suspended, they must adhere to the default/forfeit policies outlined in the intramural sports captains guide.

B. Number of eligible organizations will be the maximum number of teams that participate in the initial sports considered for greek points (Flag Football and Basketball) at the start of the school year in the Fall Semester. If an organization drops out during the year, it does not affect the possible total number of points earned per sport for each team. If an organization is added during the program (after the first sports of the fall semester), they may participate in the divisions but point values will not change that year.

## IV. Divisions

A. **Note for 2022-23:** The Greek Cup was not completed in 2019-21. Where necessary due to a lack of eligible organizations, Intramural Sports may utilize a single league format in 22-23 with all teams scheduled in one division. For leagues that do have enough eligible organizations, we will utilize the division model outlined below. Inclusion will be based on:

1. Participation and final standings for 2021-22
2. Team preference starting with gold league teams. If a team chooses to play in the black league from that group, the highest ranked black league team will have an opportunity to take that spot. Teams will be placed into these divisions based on their records in the league during the 2022-23.

### B. Fraternity Divisions

Because of the number of organizations, the Fraternity competition will compete in **up to three** separate divisions during any seasonal sport. The Gold Division will consist of the top six (6) fraternities, the black division will consist of **up to** the next six (6), and the White Division will consist of the rest of the fraternities. Each season, in each sport, the winner of the Black Division will have the opportunity to move up to the Gold Division the following year. The winner of the White division will have the opportunity to move up to the Black Division. The 6<sup>th</sup> place team in the Gold Division will move down to the Black Division for the following season. The 6<sup>th</sup> place team in the Black Division will move down to the White Division for the following season. In the event that it is not clear which team should be in the Gold Division, the following would be used for priority:

1. Gold: places 1<sup>st</sup> - 5<sup>th</sup>
2. Black: places 7<sup>th</sup> - 12<sup>th</sup>

3. White: remainder of eligible places
4. Other divisions (non-IFC participation the previous year)
5. New teams or teams that did not participate the previous year. (by order of previous year overall point total).
6. Gold: 6<sup>th</sup> place
  - a) A similar structure will be utilized for placement into the Black League from the White league. In the event of a tie with no head-to-head result, the previous year's standings will determine placing.
  - b) In the event that a team voluntarily request to be relegated from the Gold League, a request may be granted if a team in the Black league, in order of established league priority, elects to move up to replace that team

NOTE: Concerning the All-University Tournaments, the Gold Division teams will be placed in the Comp or Comp A league tournament, and the Black/White Division teams will be placed in the Comp B (or Rec tournament if no Comp B is offered) unless the league coordinator decides to move teams in the black or white divisions for the betterment of the league. Written requests must be submitted to change tournament status.

### **C. Sorority Divisions**

Sororities will follow a similar structure for Division I sports, the only difference being that there will be five (5) teams in the Gold Division and the remaining teams will be in the Black Division. The 5<sup>th</sup> place team in the Gold Division will move to Black and the 1<sup>st</sup> place team in the Black Division will move to Gold in subsequent seasons.

EXCEPTION: If there are less than 10 sororities signed up for a sport, division play will revert to a single league format with points distributed from 1<sup>st</sup> place on down.

## V. Points

### A. Sports

Points will be awarded based on final regular season standings. The Gold Division will be placed 1<sup>st</sup> through 6<sup>th</sup> and the Black Division will be placed 7<sup>th</sup> through 12<sup>th</sup> (For Panhellenic it shall be 1<sup>st</sup> through 5<sup>th</sup> and 6<sup>th</sup> through remaining # of teams) The White Division will be 13<sup>th</sup> through last. The formula for points is as follows:

**(# of eligible organizations + 1 - place of finish) x (weight of sport)**

In addition, an organization that goes undefeated (no losses or ties) in a Division I Gold Division sport, **a bonus 10 points** are awarded. If there is a tie, points will be divided evenly among the tied teams. (The points earned by the tied teams will be added and then divided by the number of teams that are tied.)

A team that forfeits once during regular season or post season for any reason listed in the Captain's Guide will lose 50% of the points earned for that sport. A team that forfeits a second time loses all points earned for that sport. Forfeits during individual events or one-day events will result in loss of all points for that sport.

In addition, an organization that wins a championship in the Competitive (or Competitive A) division tournament will receive a bonus **10 points** (If no competitive division offered in a women's league, 10 points are still received for winning a tournament).

### B. Meetings

In addition to earning points in sports, each organization has the opportunity to earn twenty five (25) points each month by attending a monthly meeting held by Intramural Sports for Fraternity and Sorority participants. The meetings will be conducted to discuss intramural matters in order to keep all fraternities/sororities informed of the program. In

February's meeting, motion for rule revisions will be put on the table for vote in March's meeting. 50% + 1 in favor of the motion will pass the rule revision. Meetings are held the first Thursday of each month (unless otherwise notified) at 12:15 pm. The meeting places will be determined at a later date.

C. Other Provisions

1. Games cancelled due to weather conditions, facilities, mutual agreement, or other reasons will not be rescheduled. Standings will be based on the total number of games actually played.
2. In the event that at the conclusion of the regular season, a tie exists in an outdoor sport (Flag Football, Soccer, Softball, Baseball) for first place of the Gold or Black league, or a tie exists between teams up for relegation to the lower league, and the existing head-to-head tiebreaker procedures cannot be utilized due to a rain or lightning related weather cancellation between those teams in a previously scheduled game, then Intramural Sports will re-schedule the game prior to the end of the tournament at a day and time where available facilities can be found.

C. Classification and Weight

The following is a list of the sports:

<b>Fraternity</b>		
<u>Division 1</u>	<u>Division II</u>	<u>Division III</u>
Flag Football	Baseball	2 Person Golf Scramble
Basketball	3 on 3 Basketball	Team Handball
Soccer	4 on 4 Flag Football	Bowling
Volleyball	Dodgeball	Wiffleball
Softball	Sand Volleyball	Cornhole
Floor Hockey		Ultimate Frisbee
		Sitting Volleyball
		Mini-Golf
		Kickball
		Spikeball

<b>Sorority</b>	
<u>Division I</u>	<u>Division II</u>
Flag Football	Sand Volleyball
Basketball	4 on 4 Football
Soccer	Dodgeball
Volleyball	3 on 3 Basketball
Softball	
Floor Hockey	

If a sport or tournament is not offered by Intramural Sports the following year, it will be presented to chairs in the first meeting of the semester in September. By a 50%+1 approval, it may be replaced or removed for that academic year.

The following are the division weights:

Division I  
10

Division II  
6

Division III  
2
